

Please

Fill in the gaps

So you (1) knew love	Please
Until you (2) the line of grace	Get up off your knees, now
And you (3) (4) wanted	Please
Until you'd (5) slap (6) face	Please
And you never felt alive	Please
Until you'd (7) (8) away	Leave it out
You had to win	'Cause love is pain
You couldn't just pass	And love is tough
The (9) ass	But love is not
At the top of the class	What you're thinkin' of
Your flyin' colors	September
Your family tree	Streets capsizin'
And all (10) lessons	Spillin' (17) (18) the drains
In history	Shards of glass
Please	Splinters like rain
Please	But you (19) (20) feel
Please	Your own pain
Get up off your knees, now	October, talk gettin' nowhere
Please	November
Please	December
Please	Remember, we just startin' again
Leave it out	Please
So you never knew	Please
How low you'd (11) to make that call	Please
And you (12) knew	Get up off (21) (22) now
What was on the ground	Please
Until they (13) you crawl	'Cause (23) is big
So you (14) knew	Is bigger than us
That the heaven you keep	But love is not
You stole	What you're thinkin' of
Your catholic blues	It's (24) lovers deal
Your convent shoes	It's (25) lovers steal
Your stick on tattoos	You (26) I've found it hard to receive
Now they're makin' the news	'Cause you
Your holy war	My love
Your (15) star	I could never
Your sermon on the mount	Believe
From the boot of (16) car
