

Let's go back

Fill in the gaps

Back to the beginning
Back to when the earth, the sun
The stars all aligned
'Cause perfect, didn't feel so perfect
Trying to fit a square into a circle
Was no life
I defy
Let the rain fall down
And wake my dreams
Let it (1) away
My sanity
'Cause I wanna feel the thunder
I wanna scream
Let the rain fall down
I'm coming clean
I'm (2) clean
I'm (2) clean
 I'm shedding
I'm shedding Shedding every color
I'm shedding Shedding every color Trying to find a pigment
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin 'Cause different
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin 'Cause different Doesn't (3) so different
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin 'Cause different Doesn't (3) so different And (4) out is better
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin 'Cause different Doesn't (3) so different And (4) out is better Than always staying in
I'm shedding Shedding every color Trying to find a pigment Of truth beneath my skin 'Cause different Doesn't (3) so different And (4) out is better Than always staying in Feel the wind

My sanity
'Cause I wanna feel the thunder
I wanna scream
Let the rain fall down
I'm (6) clean
I'm coming clean
I'm coming clean
Let the rain fall
Let the rain fall
I'm coming
Let the rain fall down
And wake my dreams
Let it wash away
Lot it wash away
