

Let it wash away

## Fill in the gaps

Let's go back	My sanity
Back to the beginning	'Cause I wanna feel the thunder
Back to (1) the earth, the sun	I wanna scream
The stars all aligned	Let the rain fall down
'Cause perfect, didn't feel so perfect	I'm coming clean
Trying to fit a square into a circle	I'm coming clean
Was no life	I'm coming clean
I defy	
Let the (2) fall down	Let the (6) fall
And wake my dreams	Let the rain fall
Let it (3) away	I'm coming
My sanity	Let the rain (7) down
'Cause I wanna feel the thunder	And wake my dreams
I wanna scream	Let it wash away
Let the (4) (5) down	My sanity
I'm coming clean	'Cause I (8) feel the thunder
I'm coming clean	I wanna scream
	Let the rain fall down
I'm shedding	I'm coming clean
Shedding every color	(Oh) I'm coming clean
Trying to find a pigment	(Oh) I'm coming clean
Of truth beneath my skin	Let the rain fall
	Let the rain fall
'Cause different	Let the rain fall
Doesn't feel so different	I'm (9) clean
And going out is better	
Than always staying in	Let's go back
Feel the wind	Back to the beginning
Let the rain fall down	
And wake my dreams
