Where The Streets Have No Name (Live) by U2

Amazing grace	And when I go there
How sweet the sound	I go there with you
That saved	It's all I can do
A wretch	The city's a flood
Like me	And our love turns to rust
I once	We're beaten and blown by the wind
Was lost	Trampled in dust
Though now	I'll show you a place
I'm found	It's high
I was blind	High
But now	Where the streets have no
I see	Name
I was blind	Where the streets have no name
But now	Where the streets have no name
I see	We're still building and (6)(7)
	love
(Come on, (1) on)	Burning down love
I wanna run	And when I go there
I want to hide	I go there with you (to other place)
I wanna tear down the walls	It's all I can do
That (2) me inside	
I wanna reach out	Love, love, love
And touch the flame	Only love
Where the streets have no name	Where the streets have no name
I wanna feel	Where the (8) have no name
Sunlight on my face	We're still (9) and burning down love
I see the dust-cloud disappear	Burning down love
Without a trace	And when I go there
I (3) take shelter	I go there with you
From hurricane	It's all I can do
Where the streets have no	Love
Name	We are love
Where the streets have no name	We are love

We're still building and burning (5) love
