## Where The Streets Have No Name by U2

	rampied in dust
I want to run	I'll show you a place
I want to hide	High on a desert plain
I want to tear (1) the walls	Where the streets have no name
That hold me inside	
I want to reach out	Where the streets have no name
And touch the flame, yeah	Where the streets (4) no name
Where the streets have no name	We're still building, then burning down love
I want to feel sunlight on my face	Burning down love
I see the dust cloud disappear	And when I go there
Without a trace	I go there with you
I wanna take shelter	It's all I can do
From the (2) rain, yeah	Our (5) turns to rust
Where the streets have no name	We're beaten and blown by the wind
	Blown by the wind
Where the streets have no name	See our love (6) to rust
Where the streets have no name	I'll be (7) and blown by the wind
We're still building, then burning down love	Blown by the wind
Burning (3) love	(Oh) and when I go there
And when I go there	l go (8) you
I go there with you	It's all I can do
It's all I can do	
The city's a flood	
And our love turns to rust
