

Won't you wrap the night

Around me?

Fill in the gaps

Love is blindness	On, my love
I don't want to see	Blindness
Won't you wrap the night	A (6) death
Around me?	Without mourning
Oh, my love	No call
Love is blindness	No warning
In a (1) car	Baby, a dangerous idea
In a (2) street	That (7) (8) sense
You see (3) love	Love is drowning
Made complete	In a deep well
Thread is ripping	All the secrets
The knot is slipping	And no one to tell
Love is blindness	Take the money
Love is clockworks	Honey
And (4) steel	Blindness
Fingers too (5) to feel	Love is blindness
Squeeze the handle	I don't want to see
Blow out the candle	Won't you wrap the night
Blindness	Around me?
Love is blindness	Oh, my love
I don't want to see	Blindness
