

Is I gotta let you go

Fill in the gaps

I'll protect you, don't be scared	Here I am
No matter what, I (1) be there	Here I am
I'll be gentle, I'll be light	There will come a day
These are the (2) you (3) in the night	When all of this is in my past
	And there will come a day
Here I am	When you're out of my (13) at last
Here I am	I'm trying not to fall
Now I'm (4) in the cold	Damn, it's such a long way down
Everything is said and done	But here I am
Atomic winter in my soul	Yeah, yeah
From the absence of the sun	And now I'm standing in the cold
The only (5) I know	Everything is (14) and done
Is I (6) let you go	Atomic winter in my soul
Here I am	From the (15) of the sun
Here I am	The (16) remedy I know
But where (7) you when I was scared	Is I gotta let you go
A (8) (9) (10)	Now I'm standing in the cold
me here	Everything is said and done
A post-it note is what I've got	Yeah
It says, I'm sorry but I (11) you're not	From the (17) of the sun
So here I am	The only remedy I know
Yeah	Is I gotta let you go
Here I am	Here I am
Now I'm (12) in the cold	Here I am
Everything is said and done	
Atomic winter in my soul	
From the absence of the sun
