I'll (1) you, don't be scared	Here I am
No matter what, I will be there	Here I am
I'll be gentle, I'll be light	There will come a day
These are the (2) you whispered in the night	When all of this is in my past
Here I am	And there will come a day
Here I am	When you're out of my head at last
Now I'm standing in the cold	I'm (7) not to fall
Everything is said and done	Damn, it's such a long way down
Atomic winter in my soul	But here I am
From the absence of the sun	Yeah, yeah
The only remedy I know	And now I'm standing in the cold
Is I gotta let you go	Everything is said and done
Here I am	Atomic winter in my soul
Here I am	From the absence of the sun
But where were you when I was scared	The only remedy I know
A (3) promise (4) me here	Is I gotta let you go
A post-it note is what I've got	Now I'm standing in the cold
It says, I'm sorry but I know you're not	Everything is said and done
So here I am	Yeah
Yeah	From the (8) of the sur
Here I am	The only (9) I know
Now I'm standing in the cold	Is I gotta let you go
Everything is (5) and done	Here I am
Atomic winter in my soul	Here I am
From the absence of the sun	
The only (6) I know	
Is I gotta let you go
