It Wasn't Me by Shaggy & Rikrok

Why should she believe me

Fill in the gaps

Yo, man	When I told her it wasn't me
Yo	Make you know say (6) she really no right for vex
Open up, man	And never you should see her make the giggolo flex
What do you want, man?	As funny as it be by you, it not that complex
My girl just caught me	Seeing is believing so you better change your specs
You let her catch you?	You know she ain't worrying about things from the past
I don't know how I let this happen	Hardly recollecting and then she'll go to noon time mass
With who?	Wait for your answer, go over there
The girl next door, you know?	But if she pack a gun you (7) you better run fast
Man	But she caught me on the counter (it wasn't me)
I don't know what to do	Saw me kissing on the sofa (it wasn't me)
Say it wasn't you	I even had her in the shower (it wasn't me)
Alright	She even caught me on camera (it wasn't me)
Honey came in and she caught me red-handed	She saw the marks on my shoulder (it wasn't me)
Creeping with the girl next door	Heard the words that I told her (it wasn't me)
Picture this: we were both caught making	Heard the scream get louder (it wasn't me)
Love on the (1) floor	She stayed until it was over
How could I forget that I had (2) her an extra key	Honey came in and she caught me red-handed
All this time she was (3) there	Creeping (8) the girl next door
She (4) took her eyes off me	Picture this, we were both caught making
How you can grant the woman access to your villa	Love on the bathroom floor
Trespasser and a witness while you cling to your pillow	How could I forget that I had given her an extra key
You better watch your back before she turn into a killer	All (9) time she was standing there
Best for you and the situation not to call the beaner	She never took her (10) off me
To be a (5) player you have to know how to play	Gonna tell her that I'm sorry
If she say a night, convince her say a day	For the pain that I've caused
Never admit to a word when she say	I've been listening to your reasoning
And if she claims and you tell her baby no way	Makes no sense at all
But she caught me on the counter (it wasn't me)	We should tell her
Saw me banging on the sofa (it wasn't me)	That I'm sorry for the pain that I've caused
I even had her in the shower (it wasn't me)	You may think that you're a player
She even caught me on camera (it wasn't me)	But you're completely lost
She saw the marks on my shoulder (it wasn't me)	That's why I sing
Heard the words that I told her (it wasn't me)	Honey came in and she caught me red-handed
Heard the scream get louder (it wasn't me)	Creeping with the girl next door
She stayed until it was over	Picture this, we were both caught making
Honey came in and she caught me red-handed	Love on the bathroom floor
Creeping with the girl next door	How could I forget that I had given her an extra key
Picture this, we were both caught making	All this time she was standing there
Love on the bathroom floor	She never took her eyes off me
I had tried to keep her
