Well I come from a little bitty		And she loves to dance
Homegrown small town		I spent my whole life running around
Smoky Mountains, nice place to hang around		Still let the wind kinda blow me around
Moonshine, that's where they (1) it		Well I dropped a note in a bottle
Put it in a jug, makes you wanna get naked		To a long-legged model
But I jumped on a greyhound bus one night		And I traded it in for a whole 'nother world
And took it all the way to the end of the line		A pirate flag and an island girl
Stepped out in the sun		Pirate flag and an island girl
When my feet hit the sand		(Island girl)
What a long strange trip		Well I remember back home 'neath the big ol' moon
I spent my whole life running around		Tucked back in the woods, yeah life was good
Still let the wind kinda (2) me around		But here we are in a (6) bar
Well I dropped a note in a bottle		And drinkin' shooting stars
To a long-legged model		I might spend my whole life (7) around
And I traded it in for a whole 'nother world		Still let the wind kinda blow me around
A pirate flag and an island girl		Well I dropped a note in a bottle
Well my friends back home		To a long-legged model
Think I've gone and lost my mind		And I (8) it in for a (9) 'nother
Take a sip of rum		world
And you really (3)	know why	A pirate flag and an island girl
Jolly Roger (4)	on the picnic table	A pirate (10) and an island girl
Blender in the kitchen, willin' and able		A pirate flag and an island girl
Don't know what makes you say "what the hell"		A pirate flag and an island girl
But when the salt air catches a hold of that sail		A pirate flag and an island girl
Something 'bout it make	es her (5) wanna dance
