

## Fill in the gaps

Well I (1) from a little bitty	And she loves to dance
Homegrown small town	I (15) my whole life running around
Smoky Mountains, (2) place to hang around	Still let the wind kinda blow me around
Moonshine, that's where (3) make it	Well I dropped a note in a bottle
Put it in a jug, makes you wanna get naked	To a long-legged model
But I jumped on a greyhound bus one night	And I traded it in for a whole 'nother world
And (4) it all the way to the end of the line	A (16) flag and an island girl
Stepped out in the sun	Pirate flag and an island girl
When my (5) hit the sand	(Island girl)
What a long (6) trip	Well I remember back home 'neath the big ol' moon
I spent my whole life (7) around	Tucked (17) in the woods, yeah life was good
Still let the (8) blow me around	But here we are in a (18) bar
Well I dropped a note in a bottle	And drinkin' shooting stars
To a long-legged model	I might (19) my whole life running around
And I traded it in for a whole 'nother world	Still let the (20) kinda blow me around
A (10) flag and an island girl	Well I dropped a note in a bottle
Well my friends back home	To a long-legged model
Think I've gone and lost my mind	And I traded it in for a whole 'nother world
Take a sip of rum	A pirate (21) and an island girl
And you (11) would know why	A pirate flag and an island girl
Jolly (12) flying on the picnic table	A pirate (22) and an (23) girl
Blender in the kitchen, willin' and able	A pirate flag and an (24) girl
Don't know what makes you say "what the hell"	A pirate flag and an island girl
But when the salt air catches a (13) of that sail	
Something 'bout it makes her just (14) dance
