

Same Love by Macklemore & Ryan Lewis

When I was in the third grade						
I thought that I was gay						
Cause I could draw, my uncle was						
And I kept my (1) straight						
I (2) my mom						
Tears rushing down my face						
She's like, Ben you've loved girls since before pre-K						
Tripping						
Yeah, I guess she had a point, didn't she						
A bunch of stereotypes all in my head						
I remember doing the math like, yeah						
I'm (3) at (4) league						
A pre-conceived idea of what it all meant						
For those that like the (5) sex						
Had the characteristics						
The right-wing conservatives						
Think it's a decision						
And you can be cured						
With some treatment and religion						
Man-made, rewiring of a pre-disposition						
Playing God						
Oh no, here we go						
America the brave						
Still fears what we don't know						
And God loves all his children						
It's somehow forgotten						
But we paraphrase a book written						
Thirty five hundred years ago						

I don't know

Even if I tried Even if I wanted to And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She keeps me warm She keeps me warm If I was gay I would think hip-hop hates me Have you read the YouTube comments lately Man that's gay Gets dropped on the daily We've become so numb to what we're saying Our culture founded from oppression Yet we don't have acceptance for them Call each other faggots Behind the keys of a message board A word rooted in hate Yet our genre still ignores it Gay is synonymous with the lesser It's the same hate that's caused wars from religion Gender to skin color A complexion of your pigment The same fight that led people to walk-outs and sit-ins

There's human rights for everybody

There is no difference Live on And be yourself When I was in church they taught me something else If you preach hate at the service Those words aren't anointed And that Holy Water That you soak in is then poisoned When everyone else is more comfortable Remaining voiceless rather than fighting for humans That (6)_____ had (7)_____ (8)____ stolen I might not be the same But that's not important No freedom till we're equal Damn right I support it I don't know And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She (9)_____ me warm She keeps me warm We press play Don't press pause Progress, march on

Till the day that my uncles can be united by law

With a veil over our eyes

We turn our back on the cause

Kids are walking around the hallway

Plagued by pain in their heart

A wor	ld	so	ha	tet	u
-------	----	----	----	-----	---

Some would rather die than be who they are

And a certificate on paper

Isn't gonna solve it all

But it's a damn good place to start

No law's gonna change us

We have to change us

Whatever god you believe in

We come from the same one

Strip (10)_____ the fear

Underneath it's all the same love

About time that we raised up

And I can't change

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She keeps me warm

She keeps me warm

She keeps me warm

Love is patient, love is kind

Love is patient, love is kind

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Fill in the gaps

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Fill in the gaps
