

Fill in the gaps

Same Love by Macklemore & Ryan Lewis

When I was in the third grade

I thought that I was gay

'Cause I could draw, my (1)_____ was

And I kept my room straight

I told my mom

Tears rushing down my face

She's like, Ben you've loved girls since before pre-K

Tripping

Yeah, I guess she had a point, didn't she

A bunch of stereotypes all in my head

I remember doing the (2)_____ like, yeah

I'm good at little league

A pre-conceived (3)_____ of what it all meant

For those that (4)_____ the same sex

Had the characteristics

The right-wing conservatives

Think it's a decision

And you can be cured

With some treatment and religion

Man-made, rewiring of a pre-disposition

Playing God

Oh no, here we go

America the brave

Still fears what we don't know

And God loves all his children

It's somehow forgotten

But we paraphrase a book written

Thirty five hundred years ago

I don't know

Fill in the gaps

And I can't change

...

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She (5)_____ me warm

She keeps me warm

She keeps me warm

If I was gay

I would think hip-hop hates me

Have you (6)_____ the YouTube comments lately

Man that's gay

Gets dropped on the daily

We've become so numb to what we're saying

Our (7)_____ founded (8)_____ oppression

Yet we don't have acceptance for them

Call each other faggots

Behind the keys of a message board

A (9)_____ rooted in hate

Yet our genre still ignores it

Gay is synonymous with the lesser

It's the same hate that's caused wars from religion

Gender to skin color

A complexion of your pigment

The same fight (10)_____ led (11)_____ to walk-outs and sit-ins

There's human rights for everybody

Fill in the gaps

There is no difference

Live on

And be yourself

When I was in church they taught me something else

If you (12)_____ hate at the service

Those words aren't anointed

And that (13)_____ Water

That you soak in is then poisoned

When everyone else is more comfortable

Remaining voiceless rather (14)_____ fighting for humans

That have had their rights stolen

I might not be the same

But that's not important

No freedom till we're equal

Damn right I support it

I don't know

And I can't change

Even if I tried

Even if I (15)_____ to

My love, my love, my love

She (16)_____ me warm

She keeps me warm

She keeps me warm

She (17)_____ me warm

We press play

Don't press pause

Progress, (18)_____ on

With a veil (19)_____ our eyes

We turn our back on the cause

Till the day that my uncles can be united by law

Fill in the gaps

Kids are walking around the hallway

Plagued by pain in their heart

A world so hateful

Some would rather die (20)_____ be who they are

And a certificate on paper

Isn't gonna (21)_____ it all

But it's a damn (22)_____ place to start

No law's (23)_____ change us

We have to change us

Whatever god you believe in

We come from the (24)_____ one

Strip away the fear

Underneath it's all the (25)_____ love

About (26)_____ (27)_____ we raised up

And I can't change

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She keeps me warm

She keeps me warm

She keeps me warm

Love is patient, love is kind

Love is patient, love is kind

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is (28)_____ (not crying on Sundays)

Fill in the gaps

Love is kind (not crying on Sundays)

Love is (29)_____ (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)
