

### Same Love by Macklemore & Ryan Lewis

When I was in the third grade	
I thought that I was gay	
'Cause I could draw, my uncle was	
And I kept my room straight	
I told my mom	
Tears rushing (1) my face	
She's like, Ben you've loved girls since (2) pre-K	
Tripping	
Yeah, I guess she had a point, didn't she	
A bunch of stereotypes all in my head	
I remember doing the math like, yeah	
I'm good at little league	
A pre-conceived idea of what it all meant	
For those that like the same sex	
Had the characteristics	
The right-wing conservatives	
Think it's a decision	
And you can be cured	
With some treatment and religion	
Man-made, rewiring of a pre-disposition	
Playing God	
Oh no, here we go	
America the brave	
Still fears what we don't know	
And God (3) all his children	
It's somehow forgotten	
But we paraphrase a book written	
Thirty five hundred years ago	

I don't know

Even if I tried Even if I wanted to And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She keeps me warm She keeps me warm If I was gay I would think hip-hop hates me Have you read the YouTube comments lately Man that's gay Gets dropped on the daily We've become so numb to what we're saying Our culture founded from oppression Yet we don't have acceptance for them Call each other faggots Behind the keys of a message board A word rooted in hate Yet our genre still ignores it Gay is synonymous with the lesser It's the same hate that's caused wars from religion Gender to skin color A complexion of your pigment The same fight that led people to walk-outs and sit-ins

There's human rights for everybody

There is no difference Live on And be yourself When I was in church they taught me something else If you preach hate at the service Those words aren't anointed And that Holy Water That you soak in is then poisoned When everyone else is more comfortable Remaining voiceless rather than fighting for humans That have had their rights stolen I might not be the same But that's not important No freedom till we're equal Damn right I support it I don't know And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She keeps me warm She keeps me warm We press play Don't press pause Progress, march on

With a veil over our eyes	
We (4) our back on the cause	
Till the day that my uncles can be (5)	by law

#### Kids are walking around the hallway

#### Plagued by pain in their heart

A world so hateful
Some would rather die than be who (6) are
And a certificate on paper
Isn't (7) solve it all
But it's a damn good place to start
No law's gonna (8) us
We have to change us
Whatever god you believe in
We come (9) the same one
Strip away the fear
Underneath it's all the same love
About time that we raised up
And I can't change
Even if I tried
Even if I wanted to
And I can't change
Even if I tried
Even if I wanted to
My love, my love, my love
She keeps me warm
Love is patient, love is kind
Love is patient, love is kind
Love is patient (not (10) on Sundays)
Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)
