

I wanna be forever young

## Fill in the gaps

## Forever Young (Cover) by One Direction

Let's dance in style		Do you really want to live forever
Let's dance for a while		Forever
Heaven can wait we're only (1) the	skies	Or never?
Hoping for the best but (2) the w	vorst	So many adventures couldn't happen today
Are you gonna drop the bomb or not?		So many songs we (4) to play
Let us die young or let us (3) forever		So many dreams are swinging out of the blue
We don't have the power but we never say never		We let 'em come true
Sitting in a sandpit, life is a short trip		Forever young
The music's for the sad man		I wanna be forever young
Forever young		Do you really want to live forever
I wanna be forever young		Forever
Do you really want to live forever		Or never?
Forever		Forever young
Forever young		I wanna be forever young
Some are like water, some are like the heat		Do you (5) want to live forever
Some are like the melody of some other beat		Forever
But sooner or later they all will be gone		Or never?
Why don't they stay young?		Forever young
It's hard to get old without a cause		I wanna be forever young (forever)
I don't want to perish like a fading horse		Do you (6) want to live forever
It's like diamonds in the sun		Forever
And diamonds are forever		Or never?
Forever young		Forever young
I wanna be forever young		I (7) be forever young (forever)
Do you really want to live forever		Do you really (8) to live (9)
Forever		(forever)
Or never?		Forever (forever)
Forever young		Forever young
