

Fill in the gaps

In two more years, my sweetheart			
We will see another view			
Such longing for the past for such completion			
What was once golden			
Has now turned a shade of grey			
I've become (1) in your presence			
They say, be brave			
There's a right way in a wrong way			
This (2) won'	t (3)	for ever	
This pain won't last for ever			
Two more years, there's only two more years			
Two more years, there's only two more years			
In two more years so hold on			
Two more years, there's only two more years			
Two more years, there's (4) two more years			
In two more years so hold on			
You've (5)	(6)	this lifetime	
My beloved polar bear			
Tears to fill a sea to drown a beacon			
To start anew all over			
Remove those scars from your arms			
To start anew all over more enlightened			
I know (I know), my love			
This is not the only story you can tell			
This pain won't last for ever			
This pain won't last for ever			

Two more years, there's only two more years			
Two more years, there's only two more years			
In two more years so hold on			
Two more years, there's only two more years			
Two more years, there's (7) two more years			
In two more years so hold on			
You don't need to find answers			
For questions never asked of you			
You don't (8) to find answers			
You don't need to find answers			
For questions never asked of you			
You don't need to find answers			
Dead weights, balloons			
Drag me to you			
I've become crueler, since I met you			
I've become rougher, this world is killing me			
You don't need to find answers			
For questions never asked of you			
You don't need to find answers			
You don't need to (9) answers			
For questions never asked of you			
You don't need to (10) answers
