Fill in the gaps

Two More Years by Bloc Party

In two more years, my sweetheart
We will see another view
Such longing for the past for such completion
What was once golden
Has now turned a shade of grey
I've become crueler in your presence
They say, be brave
There's a right way in a wrong way
This (1)_____ won't last for ever
This pain won't last for ever
Two more years, there's only two more years
Two more years, there's only two (2)_____ years
In two more years so hold on
Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
You've cried enough this lifetime
My beloved polar bear
Tears to fill a sea to drown a beacon
To start anew all over
Remove those scars from your arms
To start (3)_____ all over more enlightened
I know (I know), my love
This is not the only (4)_____ you can tell
This pain won't last for ever
This pain won't last for ever

Two more years, there's only two more years
Two more years, there's only two more years
In two (5)_____ years so hold on
Two more years, there's only two more years
Two more years, there's only two (6)_____ years
In two more (7)_____ so hold on
You don't need to find answers
For questions never asked of you
You don't need to find answers
You don't (8)_____ to find answers
For questions never asked of you
You don't (9)_____ to find answers
Dead weights, balloons
Drag me to you
I've become crueler, since I met you
I've become rougher, this world is killing me
You don't need to (10)_____ answers
For questions never asked of you
You don't need to find answers
...
