Fill in the gaps

Over Again by One Direction

Said I'd never leave her
'Cause her hands fit like my t-shirt
Tongue tied over three words, cursed
Running over thoughts that make my feet hurt
Bodies intertwined with her lips
Now she's feeling so low since she went solo
Hole in the middle of my heart like a polo
And it's no joke to me
So can we do it all over again
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit (1)_____ this
And I will give you all my heart
So we can start it all over again
Can we take the same road
Two days in the same clothes
And I know just what she'll say
If I make all this pain go
Can we stop this for a minute
You know
I can tell that your (2)_____ isn't in it or with it
Tell me with (3)_____ mind, body and spirit
I can make your tears fall down
Like the showers that are British
Whether we're together or apart
We can both remove the masks
And admit we regret it from the start
If you're pretending from the (4)_____ like this
With a tight grip, then my kiss
Can mend (5)_____ broken heart
I might miss everything you said to me
And I can lend you broken parts
That (6)_____ fit like this
And I will give you all my heart
So we can start it all over again
You'll never know how to make it on your own
And you'll never show weakness for letting go
I guess you're still hurt if this seed's sown
But do you really wanna be alone?
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit (7)_____ this
And I will give you all my heart
So we can start it all over again
If (8)_____ (9)_____ from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again

Fill in the gaps

Answer

1. like
2. heart
