id I'd never leave her		If you're pretending from the start like this		
Cause her hands fit like my t-shirt		With a tight grip, then my kiss		
Tongue tied over three words, cursed		Can mend your broken heart		
Running over thoughts that make my feet hurt I might r		I might miss everything	ight miss everything you said to me	
Bodies intertwined with her lips		And I can lend you broken parts		
Now she's feeling so low since she went solo	e's feeling so low since she went solo That		That might fit like this	
Hole in the (1) of my heart (2)	а	And I will give you all my heart		
polo		So we can start it all over again		
And it's no joke to me		You'll (9)	know how to make it on your own	
So can we do it all over again		And you'll never show weakness for letting go		
If you're pretending from the start like this		I guess you're still hurt if this seed's sown		
With a tight grip, then my kiss		But do you really wanna be alone?		
Can mend your broken heart		If you're pretending from the start like this		
I might (3) everything you said to me		With a tight grip, then my kiss		
And I can lend you broken parts		Can mend (10) broken heart		
That might fit like this		I might miss everything you said to me		
And I will (4) you all my heart		And I can lend you broken parts		
So we can start it all over again		That might fit like this		
Can we take the same road		And I will give you all my heart		
Two (5) in the same clothes	in the same clothes		So we can start it all over again	
And I know just what she'll say		If you're pretending from the start like this		
If I make all this pain go		With a tight grip, then my kiss		
Can we stop this for a minute		Can mend your broken heart		
You know		I might miss everything you said to me		
I can tell that your heart isn't in it or with it		And I can lend you broken parts		
Tell me with (6) mind, body and spirit		That might fit like this		
l can make your tears fall down		And I will give you all	my heart	
Like the (7) that are British		So we can start it all	over again	
Whether we're together or apart				
We can both remove the masks				
And admit we (8) it from the start
