Now get this work work work work						
Working on my shit						
You can hate it or (14) it						
Hustle and the struggle is the only (15) I'm trusting						
Thorough bread in a mud (16) the budget						
White chick on that Pac shit						
My passion was ironic						
And my dreams were uncommon						
Guess I (18) crazy, first deal changed me						
Robbed blind, basically raped me						
Ran through the bullshit like a Matador						
Just made me madder and adamant to go at em						
And even the score						
So, I went harder						
Studied the Carters till a deal was offered						
Slept cold on the floor recording						
At 4 in the morning						
And now I'm passin' the bar like a lawyer						
Immigrant, art ignorant						
Ya ill intent was (19) for my benefit						
Hate to be inconsiderate						
But the Industry took my innocence						
Too late, now I'm in this bitch!						
You don't know the half						
This shit get real						
Valley girls giving blowjobs for Louboutins						
What you call that?						
Head over heels						

No money, no family
