

## Fill in the gaps

Only now it's gone	When you cry
I can see the year	I hear nothing
See it for what it was	See no need to reply
And start another day	I can smile now
All the liberty you took	And turn away
The love that you abused	Come over here
The friends that you turned	So you can see me walk away
Against me if you could	And celebrate
And you're (1) what I say	The end of night (the end of night)
All that saying you were scared	The end of (9) (the end of night)
It doesn't (2) anymore	The end of night (the end of night)
'Cause I'm not there	The end of night (the end of night)
You were (3) when the beat kicked in	After the fall comes love
And careless when it left	I hate to hate and I (10) to love
And (4) all the way	After the fall comes love
I didn't see it till the end	I hate to hate and I love to love
I (5) nothing	I feel nothing
When you cry	When you cry
I hear nothing	I hear nothing
See no need to reply	See no need to reply
I can smile now	I can smile now
And turn away	And turn away
Come over here	Come over here
So you can see me walk away	So you can see me walk away
And celebrate	And celebrate
The end of night (the end of night)	The end of night (the end of night)
The end of night (the end of night)	The end of night (the end of night)
The end of night (the end of night)	The end of night (the end of night)
The end of night (the end of night)	The end of night (the end of night)
It only takes one lie	(The end of night, the end of night)
To (6) this house down	After the fall comes love
Behind closed doors	(The end of night, the end of night)
No one tells the first time round	(The end of night, the end of night)
Pain is worse when	I hate to hate and I love to love
You bring it on yourself	(The end of night, the end of night)
The sweetest bully building	The end of night (the end of night)
A love that couldn't last	The end of night (the end of night)
You were ugly (7) the beat kicked in	The end of night (the end of night)
And (8) when it left	The end of night (the end of night)
And ugly all the way	
I didn't see it till the end	
I feel nothing
