Fill in the gaps

Futile Devices (Acoustic) by Sufjan Stevens

it's been a long, long time
Since I've memorized (1) face
It's been four (2) now
Since I've wandered through your place
And when I sleep on (3) couch
I feel very safe
And (4) you bring the blankets
I cover up my face
I do
Love you
I do
Love you
And when you play guitar
And when you play guitar I listen to the (5) buzz
, , , , ,
I listen to the (5) buzz
I listen to the (5) buzz The metal vibrates underneath (6) fingers
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet I feel (7) and proud
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet I feel (7) and proud And I would say I love you
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet I feel (7) and proud And I would say I love you But saying it out loud is hard
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet I feel (7) and proud And I would say I love you But saying it out loud is hard So I won't say it at all
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet I feel (7) and proud And I would say I love you But saying it out loud is hard So I won't say it at all And I won't stay very long
I listen to the (5) buzz The metal vibrates underneath (6) fingers And when you crochet I feel (7) and proud And I would say I love you But saying it out loud is hard So I won't say it at all And I won't stay very long But you are life I needed all along
