

Fill in the gaps

Can you (1) the drums Fernando?
I remember long ago another starry night like this
In the (2) Fernando
You were humming to yourself and (3)
strumming your guitar
I could (4) the distant drums
And sounds of bugle calls (5) coming from afar
They were closer now Fernando
Every hour every minute seemed to last eternally
I was so afraid Fernando
We were young and full of life and none of us prepared to die
And I'm not ashamed to say
The roar of guns and cannons almost made me cry
There was something in the air that night, the stars were
bright, Fernando
They were shining there for you and me for liberty, Fernando
Though we never thought that we could lose, there's no regret
If I had to do the same again, I would my friend, Fernando
If I had to do the same again, I (6) my friend,
Fernando
Now we're old and gray Fernando
Since many years I haven't seen a rifle in your hand
Can you hear the drums Fernando?
Do you still recall the faithful night we crossed the Rio
Grande?

I can see it in (7) eyes
How proud you were to fight for freedom in this land
There was something in the air that night, the stars were
bright, Fernando
They were shining there for you and me for liberty, Fernando
Though we never thought (8) we (9)
lose, there's no regret
If I had to do the same again, I would my friend, Fernando
There was something in the air that night, the stars were
bright, Fernando
They (10) shining there for you and me for liberty,
Fernando
Though we never thought that we could lose, there's no regret
If I had to do the same again, I would my friend, Fernando
Yes if I had to do the same again, I would my friend, Fernando
If I had to do the same again, I would my friend, Fernando
