At The Bottom Of Everything by Bright Eyes

So (1)_____ was this woman
And she was on an airplane
And she was (2)_____ to meet her fiancé
Seaming high above the...
The largest ocean on planet Earth
And she was sitting next to this man
Who.. you know she had tried
To (3)_____ conversations
And the only thing she had really heard him say
Was to order his bloody Mary
And she's sitting there
And she's reading this really arduous (4)_____ article
About a Third World country that she can't
Even pronounce the name of and
She is feeling
Very bored, and very despondent
And then... (um..) suddenly
There was this huge mechanical failure
And one of the engines gave out
And they started, just, falling
Thirty-thousand feet
The pilot is on the microphone and he...
He's saying "I'm sorry, I'm sorry, oh my God...
I'm sorry" and apologizing
And she looks at the man and she says
She says ... she says: "where are we going?"
And (um...) he looks at her...
And he says
"We're going to a party
It's a birthday party
It's your birthday party, happy (5)_____ darling
We love you very, very, very
Very, very, very, very much"
And then (um...) he starts (6)_____ this little tune
And, it kind of goes like this
Is kind of: 1, 2, 1, 2, 3, 4
We must talk in every telephone
Get eaten off the web
We must rip out all the epilogues
From the books (7)_____ we have read
And in the face of every criminal

Strapped firmly to a chair
We must stare, we must stare, we must stare
We (8)_____ take all of the medicines
Too expensive now to sell
Set fire to the preacher who is promising us hell
And in the ear of every anarchist
That sleeps but doesn't dream
We (9)_____ sing, we (10)_____ sing, we must sing
It'll go like this, all right
While my mother waters plants
My father loads his gun
He says : "death (11)_____ give us back to God
Just like the setting Sun
Is (12)_____ to the (13)_____ ocean"
And then they splashed into the (14)_____ blue sea
Oh, it was a wonderful splash
We must (15)_____ into the choir
Sing ecstatic with the whole
We must memorize (16)_____ numbers
And (17)_____ we have a soul,
And in (18)_____ endless race for property
And privilege to be won
We must run, we must run, we must run
We must (19)_____ up in the belfry
Where the bats and moonlight laugh
We must stare (20)_____ a (21)_____ ball
And only see the past
And in the (22)_____ of tomorrow
With just our flashlights and our love
We must plunge, we must plung, we must plunge
And then we'll get down there
Way down to the very bottom of everything
And then we'll see it
Oh we'll see it, we'll see it, we'll see it!
Oh my morning's coming back
The whole world's waking up
All the (23)_____ buses swimming past
I'm happy just because
I found out I am really no one
