The congregation sang	And (14) the (15) arrive
We knelt and prayed	I don't stand here tryin' to (16) the blame
As we stood before God	But I'm hurtin' (17) down inside
On that (1) day	All the pain an' all the grievin'
The church bells rang	When did we (18) believin'
And the champagne flowed	Too late now to stop the bleedin'
As our friends (2) round	It's over
For the wedding photo	What's the sense in pointin' fingers
But here we are (3) (4)	Who's the saint an' who's the sinner
5) on	They're ain't gonna be a winner
An' our whole world's fallin' apart	It's over
All the plans we had together	Oh, my dear, (19) happened to us?
Jp in smoke and gone for ever	Tell me, (20) did it all go wrong?
Poisoned by the lawyer's letter	What's the use in (21) on fightin'?
t's over	All the tears, all the cryin'
don't want our (6) to suffer	Why do we keep denyin'?
Can we (7) to one another	It's over
You (8) once my light, my lover	In all the (22) I (23)
t's over	(24) ya
Rumours and (9) (10) me	Don't (25) our children's future
apart	I (26) do whatever suits ya
That I know you better than that	Oh yeah
nseparable (11) we	It's over
Nith a breeze in our sails	It's over
Now I feel a (12) wind	Yeah, it's over
On the (13) that failed	
And I pray as I divided	
They've taken their sides	
Now they'll all sit back
