

Fill in the gaps

Love Is Stronger Than Pride (Live) by Sade

I won't pretend	Love is stronger (4) pride
That I intend to stop living	I still really (5) love you
I won't pretend	(mmm)
I'm good at forgiving	Sitting here wasting my time
But I can't hate you	Would be like waiting for the sun to (6) (oh
Though I have tried	It's all too clear, yeah
(Ahmmm)	Things come and go
I still really really love you	Sitting here waiting for you
Love is stronger (1) pride	Would be like waiting for winter
I still really (2) love you	It's gonna be cold, there may even
(mmm)	Be snow
I won't pretend	I (7) really really (8) you
That I intend to stop living	Love is stronger than pride
I won't pretend	I still really really love you
I'm good at forgiving (oh)	Love is stronger
But I can't hate you	I still really love you
Though I have tried	Love is stronger than pride
(Ahmmm)	
I still (3) really love you
