

## Fill in the gaps

It (1) with one (2) I don't know	Not that you knew me back then
why	But it all comes back to me in the end
It doesn't even matter how hard you try	I kept everything inside
Keep that in mind I designed this rhyme	And (7) though I tried it all fell apar
To (3) in due time, all I know	What it meant to me will eventually be
Time is a valuable thing	A (8) of a (9) when
Watch it fly by as the pendulum swings	I tried so hard and got so far
Watch it count down 'til the end of the day	But in the end it doesn't even matter
The clock ticks life away, it's so unreal	I had to (10) to lose it all
You didn't look out below	But in the end it doesn't even matter
Watch the (4) go right out the window	I put my trust in you
Tryin' to hold on but didn't even know	Pushed as far as I can go
I wasted it all just to watch you go	For all this
I kept everything inside	There's only one thing you should know
And even though I tried it all fell apart	I put my trust in you
What it meant to me will eventually be	Pushed as far as I can go
A memory of a time when	For all this
I tried so hard and got so far	There's only one thing you should know
But in the end it doesn't even matter	I tried so hard and got so far
I had to fall to lose it all	But in the end it doesn't even matter
But in the end it doesn't even matter	I had to fall to lose it all
One thing, I don't know why	But in the end it doesn't even matter
It doesn't even matter how hard you try	
Keep that in mind I designed this rhyme	©ZOMBA ENTERPRISES INC
To remind myself how I tried so hard	
In spite of the way you were mocking me	©ZOMBA SONGS INC
Acting (5) I was part of your property	
Remembering all the (6) you fought with me	
I'm surprised it got so far	
Things aren't the way they were before	
You wouldn't even recognize me anymore
