Breathe A Little Louder by Ciudad Pasarela

I'll give you everything you want	Breathe a little louder dear
But it's everything you need that really does it	'Cause I've forgotten what you sound like
With satisfaction guaranteed yeah	Maybe you're just (7) deeper waters of your
You never really need to (1) the line	soul
No one ever told you	Maybe you're alive but somebody didn't tell you
That the world (2) your shell's a little	That you need to breathe
different	Doing the rounds on (8) best friend's arm
Pride's just a way of life yeah	The TV glows with your natural light
The fall will land you on your feet (3) fine	Fake the way they see you honey
Breathe a little louder dear	Let them know that you can party all night
'Cause I've forgotten what you sound like	Breathe a little louder dear
Maybe you're just testing deeper waters of your soul	'Cause I've forgotten what you sound like
Maybe you're (4) but somebody didn't tell you	Maybe you're just testing deeper (9) of your
That you need to breathe	soul
You're going (5) to where you came from	Maybe you're alive but somebody didn't tell you
'Cause it's just a bit too real here on the outside	That you need to breathe
And the fanciness you crave comes up	Breathe a little louder dear
Against the little (6) on the street	'Cause I've forgotten what you sound like
Perfect eyes and makeup	Maybe you're just testing deeper waters of your soul
Make the perfect mask for what you can't be feeling	Maybe you're alive but somebody didn't (10) you
The nightmare that's behind the smile	That you need to breathe
That's plastered on at every meet and greet
