

## Fill in the gaps

Here in this diary	2015 Riverside
I write you visions of my summer	It's (17) to say, "goodbye."
It was the best I ever had	Get on the bus, it's time to go
There were choruses and sing-alongs	Being grown up isn't (18) as fun as growing up
And that unspoken feeling	These are the best days of our lives
Of (1) right now is all (2) matters	The only thing that matters
All the nights we stayed up talking	Is just following your heart
And (3) to 80's songs	And eventually you'll finally get it right
Quoting lines from all (4) movies that we love	Get it right
It still brings a (5) to my face	Get it right
I guess (6) it comes down to it	Being grown up isn't (19) as fun as growing up
Being (7) up isn't half as fun as	These are the best days of our lives
(8) up	The (20) thing that matters
These are the (9) days of our lives	Is just (21) your heart
The only thing that matters	And eventually you'll (22) get it right
Is (10) your heart	Being grown up (being grown up)
And eventually you'll finally get it right	Isn't (23) as fun as growing up
Breaking into hotel swimming pools	These are the (24) days of our lives
And wreaking havoc on our world	The (25) (26) that matters
Hanging out at (12) stops (13) to	Is just following your heart
(14) the time	And eventually you'll finally get it right
The black top's singing me to sleep	
Lighting fireworks in parking lots	
Illuminate the (15) nights	
Cherry (16) under this moonlight summer sky
