

Fill in the gaps

Forever And For Always by Shania Twain

	Wanna (10) up ever morning to your sweet face
In your arms I can still feel the way	Always
You want me when you (1) me	(I wanna (11) up every morning)
I can (2) hear the words you whispered	In your eyes
When you told me	(I can still see the (12) of the one)
I can (3) right here forever in your arms	I can still see the look of the one who (13)
And there ain't no way	loves me
I'm letting you go now	(I can still feel the way that you (14) me)
And (4) ain't no way	The one who wouldn't put (15) else
And there ain't now how	In the (16) me
Never see that day	(I can (18) see love for me)
Cause I'm keeping you forever and for always	I can (19) see love for me in your eyes
We (5) be together all of our days	(I can still see love)
Wanna wake up every morning to your sweet face	And there ain't no way
Always	I'm lettin' you go now
(Mmm, baby)	And there ain't no way
In your heart	And there ain't no how
I can still hear a beat for (6) time you kiss me	I'll (20) see that day
And when we're apart	'Cause I'm keeping you forever and for always
I know how (7) you miss me	We will be (21) all of our days
I can feel (8) love for me in your heart	Wanna wake up every (22) to your swee
And there ain't no way	face
I'm lettin' you go now	I'm keeping you (23) and for always
And there ain't no way	We (24) be together all of our days
And (9) ain't no how	Wanna wake up every morning to your sweet face
I'll never see that day	I'm (25) you forever and for always
Cause I'm keeping you forever and for always	
We will be together all of our days	In (26) arms
