

We will be together all of our days

Fill in the gaps

Forever And For Always by Shania Twain

	Wanna wake up ever (5) to your sweet face
In your arms I can still feel the way	Always
You want me when you hold me	(I wanna wake up every morning)
I can still hear the words you whispered	In your eyes
When you (1) me	(I can still see the look of the one)
I can stay right here forever in your arms	I can still see the look of the one who really loves me
And there ain't no way	(I can still feel the way that you want me)
I'm letting you go now	The one who wouldn't put anything else
And there ain't no way	In the world above me
And there ain't now how	(I can still see love for me)
Never see (2) day	I can still see love for me in your eyes
'Cause I'm keeping you forever and for always	(I can still see love)
We will be together all of our days	And there ain't no way
Wanna wake up (3) morning to your	I'm lettin' you go now
(4) face	And there ain't no way
Always	And (6) ain't no how
(Mmm, baby)	I'll never see that day
In your heart	'Cause I'm keeping you forever and for always
I can still hear a beat for every time you kiss me	We will be together all of our days
And when we're apart	Wanna (7) up every morning to (8)
I know how much you miss me	sweet face
I can feel your love for me in your heart	I'm keeping you forever and for always
And there ain't no way	We will be together all of our days
I'm lettin' you go now	Wanna wake up every morning to (9) sweet face
And there ain't no way	I'm keeping you forever and for always
And there ain't no how	
I'll never see that day	In your arms
'Cause I'm keeping you forever and for always
