

Fill in the gaps

Like We Used To by A Rocket To The Moon

I can (1) her (2) as she's sleeping	When you've seen it a million times?
next to me	Does he sing to all your music
Sharing (3) and cold feet	While you (20) to purple rain?
She can feel my heart fell asleep to its beat	Does he do all these things, like I used to?
Under blankets and (4) sheets	I know love
If only I could be in that be again	(I'm a sucker for that feeling)
If only it were me (5) of him	Happens all the time love
Does he watch (6) favorite movies?	(I always end up feeling cheated)
Does he hold you (7) you cry?	You're on my mind love
Does he let you tell him all your favorite parts	(Or so (21) (22) when I need it
When you've seen it a million times?	That happens all the time love (yeah)
Does he (8) to all your music	Will he love you (23) I loved you?
While you dance to purple rain?	Will he tell you every day?
Does he do all these things, like I (9) to?	Will he make you (24) like you're invincible
Fourteen months and seven (10) ago	With every word he'll say?
Oh, I (11) you know	Can you promise me if (25) was right
How we (12) about that night	Don't throw it all away?
Just your skin against the window	Can you do all (26) things?
Oh, we took it (13) and we (14) know	Will you do all these things?
It should have been me inside that car	Like we used to
It should have been me (15) of him in the	Oh, like we used to
dark	
Does he (16) (17) favorite movies?	
Does he (18) you when you cry?	
Does he let you tell him all your (19)	
parts
