The Phoenix by Fall Out Boy

Fill in the gaps

Put on your war paint		Hey young blood
You are a brick tied to me (1)	dragging	Doesn't it feel like our time is running out?
me down		I'm gonna change you like a remix
Strike a match and I'll burn you to the ground		Then I'll raise you like a phoenix
We are the Jack (2) (3)	in	Wearing all (6) misery
July		No, I think it looked a little better on me
Setting fire to the sky		I'm (7) change you like a remix
Here he comes this rising tides		Then I'll raise you like a phoenix
So (4) on		Put on your war paint
Put on your war paint		The war is won
Crossed marks and crossed hearts		Before it's begun
And hope to die		Release the doves
Sue the clouds with red lining		Surrender love
So we can take the world back from the heart attack		The war is won
One maniac at a time		Before it's begun
We will take it back		Release the doves
You know time crawls on		Surrender love
When you're waiting for the song to start		The war is won
So dance alone to the beat of your heart		Before it's begun
Hey young blood		Release the doves
Doesn't it feel like our time is running out?		Surrender love
I'm gonna change you like a remix		The war is won
Then I'll raise you like a phoenix		Before it's begun
Wearing all vintage misery		Release the doves
No, I think it looked a little better on me		Surrender love
I'm gonna change you like a remix		Hey young blood
Then I'll raise you like a phoenix		Doesn't it feel like our time is running out?
Bring home the boys		I'm gonna change you like a remix
And scrap, scrap metal the tanks		Then I'll raise you like a phoenix
Get hitched		Wearing all vintage misery
Make a career out of robbing banks		No, I think it looked a little better on me
Because the world is just a terror		I'm gonna change you like a remix
And we are wearing black masks		Then I'll raise you like a phoenix
So rock our spirits		Hey young blood
And you'll know we've passed		Doesn't it feel like our time is running out?
So we can take the world back		l'm gonna (8) you like a remi
From the heart attack		Then I'll raise you like a phoenix
One maniac at a time		Put on your war paint
We will take it back		
You know time crawls on		
When you're waiting for the song to start		
So dance (5) to the beat of your heart
