

So dance alone to the beat of your heart

## Fill in the gaps

Put on your war paint	Hey young blood
You are a brick tied to me that's dragging me down	Doesn't it feel like our time is running out?
Strike a match and I'll burn you to the ground	I'm (7) change you like a remix
We are the Jack 'o Lanterns in July	Then I'll raise you like a phoenix
Setting fire to the sky	Wearing all vintage misery
Here he comes this rising tides	No, I (8) it (9) a little better on
So come on	me
Put on your war paint	I'm gonna change you like a remix
Crossed marks and crossed hearts	Then I'll raise you like a phoenix
And hope to die	Put on your war paint
Sue the clouds with red lining	The war is won
So we can take the world back from the heart attack	Before it's begun
One maniac at a time	Release the doves
We will take it back	Surrender love
You know time crawls on	The war is won
When you're (1) for the song to start	Before it's begun
So dance alone to the beat of your heart	Release the doves
Hey young blood	Surrender love
Doesn't it feel like our time is (2) out?	The war is won
I'm gonna change you like a remix	Before it's begun
Then I'll raise you like a phoenix	Release the doves
Wearing all vintage misery	Surrender love
No, I (3) it looked a (4) better on	The war is won
me	Before it's begun
I'm gonna change you like a remix	Release the doves
Then I'll raise you like a phoenix	Surrender love
Bring (5) the boys	Hey young blood
And scrap, scrap metal the tanks	Doesn't it feel like our time is running out?
Get hitched	I'm gonna change you like a remix
Make a career out of robbing banks	Then I'll raise you like a phoenix
Because the world is just a terror	Wearing all vintage misery
And we are wearing black masks	No, I think it looked a little better on me
So rock our spirits	I'm gonna change you like a remix
And you'll know we've passed	Then I'll raise you like a phoenix
So we can take the world back	Hey young blood
From the heart attack	Doesn't it feel like our time is running out?
One maniac at a time	I'm gonna change you like a remix
We will take it back	Then I'll raise you like a phoenix
