

Fill in the gaps

	And (19) are the (20) you'd love to
She (1) she's no good with words but I'm worse	lead
Barely stuttered out a joke	Dance, this is the way they'd love
Of a romantic or stuck to my tongue	If they (21) how misery (22) me
Weighed (2) (3) words too	Why don't you show me the little bit of spine
over-dramatic	You've been saving for his mattress
Tonight it's "it can't get much worse"	(Mattress, mattress)
Vs. "no one (4) ever feel like"	I only want sympathy in the form of you
I'm two (5) and a heart down	Crawling into bed with me
And I don't want to (6) how your voice sounds	Dance, dance
These words are all I have so I'll write them	We're falling (23) to (24) time
So you need them (7) to get by	
Dance, dance	Dance, dance
We're falling (8) to half time	We're falling apart to half time
Dance, dance	Dance, dance
And these are the lives you'd love to lead	And (25) are the lives you'd (26) to
Dance, (9) is the way they'd love	lead
If (10) knew how misery (11) me	Dance this is the way they'd love (way they'd love)
	Dance this is the way they'd love (way they'd love)
You always fold (12) (13) you're	Dance (27) is the way they'd love
found out	If they knew how (28) loved me
Drink up its (14) call, last resort	Dance, dance
But only the first (15) and I	Dance, dance
I'm two quarters and a heart down	Dance, dance
And I don't want to forget how your voice sounds	Dance, dance
These (16) are all I have so I'll write them	Dance, dance
So you need (17) just to get by	Dance, dance
Why don't you show me the little bit of spine	Dance, dance
You've been saving for his mattress, love	Dance, dance
Dance, dance	
We're falling apart to (18) time	
Dance dance
