# Dance, Dance by Fall Out Boy

### Fill in the gaps

	And these are the lives you'd love to lead
She says she's no good with words but I'm worse	Dance, this is the way they'd love
Barely stuttered out a joke	If they knew how misery loved me
Of a romantic or stuck to my tongue	Why don't you show me the little bit of spine
Weighed down with words too over-dramatic	You've been saving for his mattress
Tonight it's "it can't get much worse"	(Mattress, mattress)
Vs. "no one should ever feel like"	I only (8) sympathy in the form of you
I'm two (1) and a heart down	Crawling into bed (9) me
And I don't want to (2) how your voice sounds	Dance, dance
These words are all I have so I'll write them	We're falling apart to half time
So you need them just to get by	
Dance, dance	Dance, dance
We're falling apart to half time	We're falling apart to half time
Dance, dance	Dance, dance
And these are the (3) you'd love to lead	And these are the lives you'd love to lead
Dance, this is the way they'd love	Dance this is the way they'd love (way they'd love)
If they knew how (4) loved me	Dance this is the way they'd love (way they'd love)
	Dance this is the way they'd love
You always fold (5) before you're found out	If they knew how misery loved me
Drink up its last call, (6) resort	Dance, dance
But only the first mistake and I	Dance, dance
I'm two quarters and a heart down	Dance, dance
And I don't want to forget how your voice sounds	Dance, dance
These words are all I have so I'll write them	Dance, dance
So you need (7) just to get by	Dance, dance
Why don't you show me the little bit of spine	Dance, dance
You've been saving for his mattress, love	Dance, dance
Dance, dance	
We're falling apart to half time	
Dance, dance
