

## Fill in the gaps

The paranoia is in bloom, the PR
The transmissions will resume
They?II try to (1) drugs
Keep us all dumbed down and hope that
We will never see the truth around
Another promise, another scene, another
A package not to keep us trapped in greed
With all the green belts wrapped around our minds
And (2) red tape to keep the truth confined
They will not (3) us
They will stop degrading us
They will not control us
We will be victorious
Interchanging mind control
Come let the revolution (4) it?s toll if you could
Flick the switch and open your third eye, you?d see that
We (5) never be afraid to die

Rise up and take the power back, it?s time that
The fat cats had a heart attack, you (6) that
Their time is coming to an end
We have to unify and (7) our flag ascend
They will not force us
They (8) stop degrading us
They will not control us
We will be victorious
They will not force us
They will stop (9) us
They will not control us
We will be victorious
