

Fill in the gaps

The paranoia is in bloom, the PR			
The transmissions will resume			
They?ll try to push drugs			
Keep us all (1) down and hope that			
We will (2) see the truth around			
Another promise, another scene, another			
A package not to keep us trapped in greed			
With all the (3) (4) wrapped			
(5) our minds			
And endless red tape to (6) the (7)			
confined			
They will not (8) us			
They (9) stop (10) us			
They will not control us			
We (11) be victorious			
Interchanging mind control			
Come let the revolution take it?s (12) if you could			
Flick the switch and (13) (14)			
(15) eye, you?d see that			
We (16) never be afraid to die			

Rise up and take the power back, it?s time that			
The fat (17)	_ had a heart attac	k, you know that	
Their time is (18)	to an end		
We (19) to	to unify and watch our flag ascend		
They (20)	not (21)	_ us	
They will stop (22)		_ us	
They will not control us			
We (23) b	e victorious		
They will not force us			
They will stop degrading us			
They will not (24)	us		
We (25) b	e victorious
