Fill in the gaps

The paranoia is in bloom, the PR
The transmissions (1)_____ resume
They'll try to push drugs
Keep us all dumbed down and hope that
We will (2)_____ see the truth around
Another promise, another scene, another
A package not to keep us trapped in greed
With all the green belts wrapped around our minds
And endless red tape to keep the truth confined
They will not force us
They will stop (3)_____ us
They will not control us
We will be victorious
Interchanging mind control
Come let the revolution (4)_____ it's toll if you could
Flick the (5)_____ and open your third eye, you'd
see that
We should never be afraid to die

Rise up and take the power back, it's time that
The fat cats had a heart attack, you know that
Their time is coming to an end
We have to unify and (6)_____ our flag ascend
They will not (7)_____ us
They will stop degrading us
They will not control us
We will be victorious
