

Fill in the gaps

I give a little	I can (5) them calling for me (now I'm falling)
Into the moment like I'm standing at the edge, I know	Falling, falling, falling
That no one's gonna turn me around	Falling, falling
Just one more step, I could let go	Falling, falling
And in the middle	And now I'm falling, falling
I hear the voices and they're calling for me now, I know	Falling, falling
That nothing's gonna wake me now	Falling, falling, falling
'Cause I'm a slave to the sound	Falling, falling
And they're calling up	And now I'm falling
Don't stop, no, I'll never give up	Falling, falling, falling, fall, yeah
And I'll never look up, just hold (1) head up	And now I'm falling
And if it gets rough, it's time to get rough	Falling, falling, falling, fall, yeah
They keep saying	And now I'm falling
Don't stop, no one's ever enough	Into the (6) feeling higher than the truth (but now
I'll never look up, never give up	falling)
And if it gets rough, it's time to get rough	I can feel the heat but I'm not burning (I'm falling)
But now I'm falling, falling	Feeling desire, feel the tired hungry tooth (but now falling)
Falling, falling	Feels like I'm falling away
Falling, falling	I can hear them calling for me (now I'm falling)
Falling	Into the fire feeling higher than the truth (but now falling)
Now I'm going down	I can feel the heat but I'm not burning (falling)
And I can feel the eyes are watching us so closely	Feeling desire, feel the tired hungry tooth (but now falling)
I'm trying not to make a sound	It feels like I'm falling away
'Cause I'll be found out somehow	I can hear them calling for me (now I'm falling)
So keep calling	Never look up, never give up
Don't stop, no, I'll never give up	Never look up, never give up
And I'll never look up, just hold your head up	Never look up, never give up
And if it gets rough, it's time to get rough	I'll never give up, I'll never give up (now I'm falling)
They keep saying	Never look up, never give up
Don't stop, no one's ever enough	Never (7) up, never give up (I'm falling)
I'll never look up, never give up	Never look up, never (8) up
And if it gets rough, it's time to get rough	I'll never give up, I'll never give up (now I'm falling)
But now I'm falling	Never look up, never give up
Into the fire feeling higher than the truth (I'm falling)	Never look up, never (9) up
I can feel the heat but I'm not burning (but now falling)	Never look up, never give up
Feeling desire, feed the tired hungry tooth (I'm falling)	I'll never give up, I'll never give up
Feels (2) I'm falling away	Never look up, never give up
I can hear them calling for me (but now I'm falling)	Never look up, never give up
Into the fire feeling higher than the (3) (I'm	Never look up, never give up
falling)	I'll never give up, I'll never give up
I can feel the heat but I'm not burning (but now falling)
