I (1) a little	I can hear them calling for me (now I'm falling)
Into the moment like I'm standing at the edge, I know	Falling, falling, falling
That no one's gonna turn me around	Falling, falling
Just one more step, I could let go	Falling, falling
And in the middle	And now (15) falling, falling
I hear the voices and they're calling for me now, I know	Falling, falling
That nothing's gonna (2) me now	Falling, falling, falling
'Cause I'm a (3) to the sound	Falling, falling
And they're calling up	And now I'm falling
Don't stop, no, I'll never give up	Falling, falling, falling, fall, yeah
And I'll never look up, just hold your head up	And now I'm falling
And if it gets rough, it's time to get rough	Falling, falling, falling, fall, yeah
They keep saying	And now I'm falling
Don't stop, no one's ever enough	Into the fire feeling higher (16) the truth (but now
I'll never look up, never give up	falling)
And if it gets rough, it's time to get rough	I can feel the heat but I'm not burning (I'm falling)
But now I'm falling, falling	Feeling desire, feel the tired hungry tooth (but now falling)
Falling, falling	Feels like I'm falling away
Falling, falling	I can (17) them calling for me (now I'm falling)
Falling	Into the (18) feeling higher (19) the
Now I'm going down	truth (but now falling)
And I can feel the eyes are watching us so closely	I can feel the heat but I'm not burning (falling)
I'm trying not to make a sound	Feeling desire, (20) the tired hungry
'Cause I'll be found out somehow	(21) (but now falling)
So (4) calling	It feels like I'm falling away
Don't stop, no, I'll never give up	I can hear them calling for me (now I'm falling)

They (5) saying	Never look up, never (22) up
Don't stop, no one's (6) enough	I'll never (23) up, I'll never give up (now I'm falling)
I'll never look up, never give up	Never look up, never give up
And if it gets rough, it's time to get rough	Never (24) up, never give up (I'm falling)
But now I'm falling	Never look up, never give up
Into the (7) feeling higher (8) the truth	I'll (25) give up, I'll never give up (now I'm falling)
(I'm falling)	Never look up, never give up
I can feel the heat but I'm not burning (but now falling)	Never look up, never give up
Feeling desire, feed the tired hungry (9) (I'm	Never look up, (26) give up
falling)	I'll never give up, I'll never give up
Feels (10) I'm (11) away	Never look up, never give up
I can hear them calling for me (but now I'm falling)	Never look up, (27) give up
Into the fire feeling higher than the truth (I'm falling)	Never look up, never (28) up
I can (12) the (13) but I'm not burning	I'll never give up, I'll never give up
(but now falling)
