So (1) to breathe		Are you (6) me now
Walk with me, and maybe		Your every wish will be done
Nights of light so soon become		They (7) me
Wild and free I could feel the sun		Chorus
Your every (2) will be done		There's nowhere to run
They tell me		I have no place to go
Chorus:		Surrender my heart' body and soul
Show me the meaning of being lonely		How can it be you're asking me to
Is this the feeling I need to walk with		feel the (8) you never show
Tell me why I can't be there (3)	you are	You are missing in my heart
There's something missing in my heart		Tell me why I can't be there where you are
Life goes on as it never ends		Chorus
