

You keep makin' me ill Run just as fast as I can To the middle of nowhere

Fill in the gaps

I'm lyin' here	To the middle of my frustrated fears
On the floor where you left me	And I swear
I think I took too much	You're just like a pill
I'm crying here	Instead of makin' me better
What have you done?	You (6) makin' me ill
I (1) it would be fun	You keep makin' me ill
I can't stay on your life support	I can't stay on your life support
There's a shortage in the switch	There's a shortage in the switch
I can't stay on your morphine	I can't stay on your morphine
'Cause it's making me itch	'Cause it's (7) me itch
I said I tried to (2) the nurse again	I said I tried to call the nurse again
But she's being a little bitch	But she's being a little bitch
I think I'll get outta here	I think I'll get outta here
Where I can run?	Where I can run?
Just as fast as I can	Just as fast as I can
To the middle of nowhere	To the middle of nowhere
To the (3) of my (4)	To the middle of my frustrated fears
fears	And I swear
And I swear	You're just like a pill
You're just like a pill	Instead of makin' me better
Instead of makin' me better	You keep makin' me ill
You keep makin' me ill	You keep makin' me ill
You keep makin' me ill	Run just as fast as I can
I haven't moved from the spot where you left me	To the middle of nowhere
This must be a bad trip	To the middle of my frustrated fears
All of the other pills, they were different	And I swear
Maybe I should get some help	You're just like a pill
I can't stay on your life support	Instead of makin' me better
There's a shortage in the switch	You keep makin' me ill
I can't stay on your morphine	You keep makin' me ill
'Cause it's making me itch	Run just as fast as I can
I (5) I tried to call the nurse again	To the middle of nowhere
But she's being a little bitch	To the (8) of my frustrated fears
I think I'll get outta here	And I swear
Where I can run?	You're just like a pill
Just as fast as I can	Instead of makin' me better
To the middle of nowhere	You (9) makin' me ill
To the middle of my frustrated fears	You keep makin' me ill
And I swear	Run just as fast as I can
You're just like a pill	To the middle of nowhere
Instead of makin' me better	To the (10) of my frustrated
You keep makin' me ill
