

Fill in the gaps

I'm lyin' here	To the middle of my frustrated fears	
On the floor where you (1) me	And I swear	
I think I took too much	You're just like a pill	
I'm crying here	Instead of makin' me better	
What (2) you done?	You keep makin' me ill	
I thought it would be fun	You keep makin' me ill	
I can't stay on your life support	I can't stay on (18) life support	
There's a shortage in the switch	There's a shortage in the switch	
I can't stay on your morphine	I can't stay on (19) morphine	
'Cause it's making me itch	'Cause it's making me itch	
I said I (3) to call the nurse again	I said I tried to (20) the nurse again	
But she's (4) a little bitch	But she's being a little bitch	
I (5) I'll get outta here	I think I'll get outta here	
Where I can run?	Where I can run?	
Just as fast as I can	Just as fast as I can	
To the middle of nowhere	To the middle of nowhere	
To the middle of my frustrated fears	To the middle of my (21) fe	ars
And I swear	And I swear	
You're (6) like a pill	You're just like a pill	
Instead of makin' me better	Instead of makin' me better	
You keep makin' me ill	You keep makin' me ill	
You keep makin' me ill	You keep makin' me ill	
I haven't (7) from the (8) where you	Run just as fast as I can	
left me	To the middle of nowhere	
This must be a bad trip	To the middle of my frustrated fears	
All of the other pills, (9) were different	And I swear	
Maybe I (10) get some help	You're just (22) a pill	
I can't stay on your (11) support	Instead of makin' me better	
There's a shortage in the switch	You (23) makin' me ill	
I can't stay on (12) morphine	You keep makin' me ill	
'Cause it's (13) me itch	Run just as (24) as I can	
I said I tried to call the nurse again	To the middle of nowhere	
But she's being a little bitch	To the middle of my frustrated fears	
I (14) I'll get outta here	And I swear	
Where I can run?	You're just like a pill	
Just as fast as I can	Instead of makin' me better	
To the middle of nowhere	You keep makin' me ill	
To the middle of my frustrated fears	You keep makin' me ill	
And I swear	Run (25) as (26) as I can	
You're just (15) a pill	To the middle of nowhere	
Instead of makin' me better	To the middle of my frustrated	
You keep makin' me ill		
You (16) makin' me ill		
Run just as (17) as I can		
To the middle of nowhere
