

I know it's time that I learned to

## Fill in the gaps

		Treat the people I love like I wanna be loved	
When I'm nervous		This is a lesson learned	
I have this thing, yeah		I hate that I let you down	
I (1) too much		And I feel so bad about it	
Sometimes I just can't shut the hell up		I guess karma comes back around	
It's like I (2) to tell someone		'Cause now I'm the one that's hurting, yes	
Anyone who'll listen		And I hate that I made you think	
And that's where I seem to **** **		That the trust we had is broken	
Yeah, I forget about the consequences		So don't tell me you can't forgive me	
For a minute there I lose my senses		'Cause nobody's perfect	
And in the heat of the moment		No, no, no, no, no, no	
My mouth starts going		No, no, no, no, no, no, no, no	
The words start flowing (oh)		Nobody's perfect	
But I (3) meant to hurt you			
I know it's time that I learned to		No, no, no, no, no, no, no	
Treat the people I love like I wanna be loved		I'm not a saint	
This is a lesson learned		No, not at all	
I hate that I let you down		But what I did	
And I feel so bad (4) it		That wasn't cool	
I (5) karma comes back around		But I swear that I'll never	
'Cause now I'm the one that's hurting		Do that again to you	
And I hate that I made you think		I'm not a saint (I'm not a saint)	
That the trust we had is broken		No, not at all (no, not at all)	
So don't tell me you can't forgive me		But what I did (but what I did)	
'Cause nobody's perfect		That wasn't cool (that wasn't cool)	
No, no, no, no, no, no, no, no, no		But I swear that I'll never	
No, no, no, no, no, no		Do that again to you	
Nobody's perfect		And I hate that I let you down	
No		And I feel so bad about it	
If I could turn back the hands of time		I guess karma comes back around	
I swear I never would've crossed that line		'Cause now I'm the one that's hurting, yes	
I should of kept it between us		And I (9) that I made you think	
But, Jessie		That the trust we had is broken	
Went and told the whole world how I feel and (oh)		So don't tell me you can't (10)	me
So I sit and I realize		'Cause nobody's perfect	
With these tears falling from my eyes		No, no, no, no, no, no	
I (6) change if I wanna (7)	you	No, no, no, no, no, no, no, no, no	
forever		Nobody's perfect	
I promise (8) I'm gonna try			
But I never meant to hurt you
