

## Fill in the gaps

I guess it's funnier from where you're standing			Behind the glass		
'Cause from over (1)	I've missed the joke		Go ahead and laugh		
Cleared the way for my crash landing			'Cause it's funny		
I've done it again			I would too if I saw me		
Another number for (2) notes			I'll be your clown		
I'd be smiling if I wasn't so desperate			On your favorite channel		
I'd be patient if I had the time			My life's a circus, circus		
I could stop and answer all of your questions			Rounding circles		
As soon as I find out			I'm selling out tonight		
How I could move (3)	the back of the line		From a (8)	my (9)	is
I'll be your clown			simple		
Behind the glass		From a distance I can entertain			
Go ahead and laugh			So you can see me I put make-up on my face		
'Cause it's funny			But there's no way you can feel it		
I would too if I saw me I'll be your clown			From so far away I'll be your clown		
On your favorite channel			Behind the glass		
My life's a circus, circus			Go ahead and laugh		
Rounding circles			'Cause it's funny		
I'm (4) o	ut tonight		I would too if I saw me		
I'd be less angry if it was my decision			I'll be your clown		
And the (5) w	as just (6)	in	On your (10)	channel	
If I had more than my ambition			My life's a circus, circus		
I'll have time to please		Rounding circles			
I'll have (7) to th	ank you as soon as I win		I'm selling out tonight		
I'll be your clown					

- 1. here
