

I'll be your clown

Fill in the gaps

I (1)	it's funnier (2	2)	(3)		Behind the glass	
you're standing					Go ahead and laugh	
'Cause from over here I've missed the joke					'Cause it's funny	
Cleared the way for my crash landing					I would too if I saw me	
I've done it again					I'll be your clown	
Another number for your notes				On your (8)	channel	
I'd be smiling if I wasn't so desperate					My life's a circus, circus	
I'd be patient if I had the time					Rounding circles	
I (4)	(5)	and (6)		all of	I'm selling out tonight	
your questions					From a distance my (9)	is simple
As soon as I find out				From a distance I can entertain		
How I could move from the back of the line				So you can see me I put make-up on my face		
I'll be your clown				But there's no way you can feel it		
Behind the glass					From so far away	
Go ahead and laugh					I'll be your clown	
'Cause it's funny					Behind the glass	
I would too if I saw me					Go ahead and laugh	
I'll be your clown					'Cause it's funny	
On your (7)		channel			I would too if I saw me	
My life's a circus, circus					I'll be your clown	
Rounding circles					On your favorite channel	
I'm selling out tonight				My life's a circus, circus		
I'd be less angry if it was my decision				Rounding circles		
And the money was just rolling in				I'm selling out tonight		
If I had more than	my ambition					
I'll have time to pl	ease					
I'll have time to th	ank you as soc	n as I win
