

## Fill in the gaps

## Time After Time by Cyndi Lauper

(I come to say goodbye)	Time after time
(But why, Boris, why?)	After my picture fades
(I've (1)_____ up my mind)	And darkness has turned to gray
(I'm going away)	Watching (14)_____ window
(Then I shall be alone)	You're (15)_____ if I'm
(That journey (2)_____ the dessert you've	Secrets stolen
(3)_____ of)	From deep inside
(You will take it alone)	The drum beats out of time
(What else can I do?)	If you're lost you can look
(Once you (4)_____ to me)	And you will find me
(That peace and (5)_____ may be found	Time (16)_____ time
there)	If you fall I will (17)_____ you
(You gave me hope)	I'll be waiting
(And now)	Time after time
(Now you have to say goodbye)	You said
(Goodbye)	Go slow
Lying in my bed	I fall behind
I hear the clock tick	The second (18)_____ unwinds
And (6)_____ of you	If you're lost you can look
Caught up in circles	And you will find me
Confusion is nothing new	Time after time
Flashback	If you (19)_____ I will catch you
Warm nights	I'll be waiting
Almost left behind	Time after time
Suitcases of memories	If you're (20)_____ you can look
Time after	And you will find me
Sometimes you picture me	Time after time
I'm walking too far ahead	If you (21)_____ I will catch you
You're calling to me	I'll be waiting
I can't hear (7)_____ you've said	Time after time
Then you say	If you (22)_____ time
Go slow	Time after time
I (8)_____ behind	Time after time
The second (9)_____ unwinds	Time after time
If you're (10)_____ you can look	Time after time
And you (11)_____ find me	Time after time
Time after time	Time after time
If you fall I (12)_____ catch you	Time (23)_____ time
I'll be waiting	Time after time
Time after time	(Time after...)
If you're lost you can look	(Time)
And you will (13)_____ me	
Time after time	
If you fall I will catch you	
I'll be waiting...
