

Fill in the gaps

I know It's hard, I feel it too
So don't bother faking
It doesn't matter what troubles you
I will help you take it
Here from the rain I shelter you
Till the storm is ended
Fired as arrows, words untrue
But I'll defend miss pitiful, you're so beautiful
I'm a ligth on, fall on me
Fall on me
Before the battle begings
And (1) It's through
I'm (2) a barricade in between
Anything and you
So no matter how far
Whatever It takes
You (3) it through the day
I'm your barricade
Before the battle begings
And until It's through
I'm (5) a barricade
In between anything and you
So no matter how far
Whatever it takes
You will make it through the day
I'm your barricade
Love is too real for a fairy tale
Soon over after
Time is a healer
But I won't fail
To be with you faster Miss Pitiful
You're so beautiful
I'm a ligth on, fall on me

Fall on me

Before the battle begings	
And until It's through	
I'm like a barricade	
In between anything and you	
So no matter how far	
Whatever it takes	
You (6) make it	
Through the day	
I'm your barricade	
I, I, I'm your barricade	
I, I, I'm your barricade, barricade	
I, I will be your barricade	
I'm your barricade	
As the boms drop	
You won't feel a thing	
I can take it	
You will make it through the day	
I (7) be your barricade	
I will be your barricade	
I (8) be (9) barricade (I will be your	
barricade)	
Before the battle begins	
And until it's through	
I'm like a barricade	
In between anything and you	
In between anything and you So no matter how far	
So no matter how far	
So no matter how far Whatever it takes	
So no matter how far Whatever it takes You will make it through the day	
So no matter how far Whatever it takes You will make it through the day I'm your barricade	
So no matter how far Whatever it takes You will make it through the day I'm your barricade I, I, I'm your barricade
