We could have had it all...
Rolling in the deep...

Fill in the gaps

Rolling In The Deep (Cover) (Live) by Vázquez Sounds & Camila (Piano)

	You had my heart inside your hand
There's a fire starting in my heart	But you played it with the beat
Reaching a fever pitch and it's bringing me out the dark	We could (6) had it all
Finally, I can see you crystal clear	Rolling in the deep
Go ahead and (1) me out and I'll lay your ship bare	You had my heart inside your hand
See how I'll (2) every (3) of you	But you played it with a beating
Don't underestimate the things that I will do	Throw your soul through every open door
There's a fire starting in my heart	Count (7) (8) to find what
Reaching a fever (4) and it's bring me out the	your look for
dark	Turn my sorrow into (9) gold
The scars of your love remind me of us	You'll pay me back in kind
They keep me thinking that we almost had it all	And reap just what you've sown
The scars of your love, they leave me breathless	We (10) have had it all (un aplauso México)
can't help feeling	We could have had it all
We could have had it all	It all, it all, it all
Rolling in the deep	We could have had it all
You had my heart inside your hand	Rolling in the deep
But you played it with the beat	You had my heart inside your hand
Baby, I (5) no story to be told	But you played it with the beat
But I've heard one on you	We could have had it all
And I'm gonna make your head burn	Rolling in the deep
Think of me in the depths of your despair	You had my heart inside your hand
Make a home down there as mine sure won't be shared	But you played it
The scars of your love remind me of us	You played it
They keep me thinking that we almost had it all	You played it
The scars of your love, they leave me breathless	You played it to the beat
can't help feeling
